School-talk – 31 October 2016

Principal's Message - Fiona Young

Enrolment Intentions 2017

If your child won't be returning to Sutherland North next year please let the office know ASAP as student numbers for staffing purposes have been submitted and we will be starting to organise our 2017 classes soon. Occasionally families return for the new school year after the official start date, particularly if you have travelled overseas. In order for us to hold a place for your child at the school next year we need confirmation in writing of your return date and contact details while you are away. Please let the school know in writing if there are any specific issues relating to your child that you would like to be considered when looking at your child's class placement for next year. Please keep in mind that we are a small school and not all requests can be catered for, including requests for a particular teacher.

Kindergarten 2017 Orientation

It is a Sutherland North tradition that current Kindergarten families provide morning tea for the incoming Kindergarten families. The final transition to school session is being held on Wednesday 2 November. Kindergarten 2016 parents are asked to bring a plate of food to share. Please remember no nuts or peanut butter products. The morning tea will be held in the hall from 10.15am and our current kindergarten parents are very welcome to attend.

P&C Meeting

Robert Entwistle our new Assistant Principal starting next year will be attending the P&C meeting on Wednesday night to meet our parents. We hope you can join us.

Congratulations

Two of our students, Amelia 5/6S and Kiera 3/4M competed in the Public Speaking Network Finals last Thursday. Congratulations to Amelia and Kiera on your achievements. Both students were wonderful representatives of SNPS. We are very proud of you both.

MOVIE UNDER THE STARS 2016

2C & 2B

We loved the part in the movie when they found bad guys, playing with friends and the food.

Zootopia!

This is what the students from SNPS said about the movie night.

10'H & 1K
Entertaining and exciting!

KJ & KK

If there was another movie we would go. The food was good and the movie was very entertaining.

3F

It was a suitable movie for all ages, I love the food, and the movie was fun, good prices on foods and show bag.

3/4M

The food, balloons and food tokens were a good idea. The slushies and glow sticks were awesome. The screen was gigantic and the night was really fun!

Both the 5/6 class

I hope we are going to have another one. It was great because we could have fun with friends and family. The movie was very entertaining!

4R

The movie was good, it was also family friendly, I loved the food and it was fun because it was outside.

Mrs Young

I loved Zootopia! The movie night brought all families together and I met a lot of new parents. I also liked how I could walk around speaking to students and parents. I liked the token system. I think it was a smashing success! I also thought it was really great to have teachers coming and helping. If there was a second one I would choose the movie 'Ice-Age' the original.
