

# Sutherland North Public School

*School-talk – 15 August 2016*

## Principal's Message - Fiona Young

### Sutherland Shire Schools Music Festival

I am looking forward to watching our students perform in their choir and dance items at the Sutherland Shire Schools Music Festival this week. The SSSMF at Sutherland Entertainment Centre is a wonderful way to showcase our student's talents. I wish all of our students' good luck for their upcoming performances.

### SRC News

Congratulations and thank you to the Semester 1 SRC Representatives for doing such a great job in representing their classes during the first half of the year. It is now time for Semester 2 representatives to take over the responsibilities. Semester 2 SRC representatives will be presented with their badges at assembly this Thursday 18<sup>th</sup> August. All parents are welcome to attend.

### Zone Athletics Carnival

Good luck to all our students who will be competing in the Zone Athletics Carnival at Sylvania Waters Athletics Track this Friday.

### LMBR

Mrs Smith and Mrs Sier continue with training this Friday. I will be attending training this Wednesday. The school will also be undergoing an **IT HEALTH CHECK** this Wednesday. This is an important task where the current technology systems and hardware is checked to ensure it is capable of hosting the new system. Unfortunately there may be some minor disruptions to the day to day operation of the school.

### Playground

I would like to thank parents and carers for continuing to exit the playground each morning when the music begins to play. This helps the staff enormously as they get the students settled in class lines and ready for the day.

### School Payments

In preparation for the cut over to LMBR on the 17<sup>th</sup> October I am seeking all families to finalise any payments still outstanding as soon as possible. We are required to have all accounts finalised to assist the process. Thank you.

### Trip Hazard

The area that was closed off between KJ and KK for a number of weeks due to the uneven ground has been repaired. This area is now safe to use as a thorough fare.

### Staffing

Mr Fleming (3F) will be on leave from weeks 7-9 while he is on special leave to welcome a new addition to his family. During his absence Mr Rogers will be taking his class.

## Library

For the remainder of the year we are going to see some big changes occur in the way our students can interact with our school Library Collection. All schools, including High Schools are moving from the OASIS program to a new software program called OLIVER which is Windows based and can be accessed from home via the student's personal portal.

With the changes however, comes a need for many book call numbers to be changed, so that our students can find what they want on our book shelves.

If you have any spare time to assist with this process, please see myself on Tuesday, Wednesday or Thursday for a detailed explanation of what needs to be done.

Working on these tasks can occur any day Monday-Friday to suit your needs.

Also a huge thankyou to our grandparent volunteer, Sue who has been putting away our books each day..... we hope you recover soon. If you are able to help put away books even for ½ hour each week we would love to have you on board.

Would be so grateful if you can assist.
