

# Sutherland North Public School

School-talk – 19 June 2017

## Principal's Message – Fiona Young

### School Canteen

I am pleased to announce the canteen will be operating again two days per week, Mondays and Fridays, beginning Friday 21<sup>st</sup> July, the first week back in Term 3. Kirrawee High School Canteen Service has agreed to support our school community by providing a pick-up and delivery service for lunch orders only. The High School menu has been modified and approved by the P&C at our last meeting. Please note; the service is for lunches only and does not include gluten free food items.

The ordering system will remain the same; using paper bags or lunch order bags from the uniform shop. A canteen menu and ordering instructions will be included in School-talk next week and placed on the school website.

### Work Experience

We welcome Caitlin Clancy, an ex-student, back to Sutherland North School. This week Caitlin is completing her Year 10 work experience program here. She will be assisting in a variety of classes across the school to gain an understanding of the role of a teacher. We hope you enjoy your week with us Caitlin.

### Morning Playground

I would like to thank parents and carers for continuing to exit the playground each morning when the music begins to play. This helps the staff enormously as they get the students settled in class lines and ready for the day.

### Good-luck

We wish Dylan C all the best as he represents the school in the upcoming holidays competing in the Inter-school Snow Sport Championships and we also wish Taylor L good-luck as she competes in the NSW PSSA State Hockey Championships.

### Congratulations

Congratulations to Kosta M who placed third at the Regional Cross Country competition last week. Kosta now goes onto compete at the State Cross Country competition. Well done to all of our students who competed in the Regional Cross Country. Everyone put in a magnificent effort amongst a tough field of competitors.

A Term 3 school calendar has been included in this edition of school-talk to assist you with future planning.

## What's been happening in 1R

1R has been very busy in Term 2. We have been learning about persuasive texts and have conducted our own impromptu mini debates. In our science unit Push and Pull we have looked at how forces make things move. We also have been lucky enough to have Miss Wendy come in once a week for 'Emmy and Friends' where we are learning about being safe.
