

Sutherland North Public School

School-talk – 12 August 2019

Principal's Message – Fiona Young

Open Day Tuesday 20 August

Parents, carers, family and friends are invited to join us on Tuesday 20 August to celebrate Education Week. The students have been working hard and are very excited to showcase their achievements. Activities will commence at 9.15am and conclude at 11.30am. We hope you are able to join us.

Starting School Information Evening

On Wednesday 14 August we are holding our Kindergarten Information Evening 6.00pm to 7.00pm in 5/6O, the classroom next door to the office. Come along and meet the Principal, Assistant Principal and Kindergarten Teachers who will speak about preparing your child for starting school. Enrolment forms are currently being accepted for in-area enrolments only. Information packages are available through the office.

Parking Restrictions

A parking officer from Sutherland Shire Council was outside the school today and observed cars pulling up in the designated disabled parking zone. Please be reminded that this is not a drop off zone and you will be fined over \$500 if you are seen using this space and do not have the required RMS Disabled Parking Sticker.

Health Care Plans

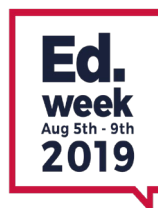

Last term health care plans were sent home with students whose health care plans had expired. If you received a health care plan for updating could you please return the plan to the school as soon as possible. It is the Department's policy that our staff has up to date information to provide appropriate care for your child. We thank you for your co-operation.

Congratulations

I have absolutely enjoyed watching the recent performances of our delightful students in our Junior Choir and Junior Dance troupe at the SSSMF. They were excellent representatives of our school and performed magnificently. A big thank you to Mrs Kinred and Mrs Muldoon for their coaching and support of our students. I would also like to acknowledge the wonderful support of our families. I am looking forward to seeing our Senior Choir and Dancers in action at the SSSMF.

Zone Athletics Carnival

Good luck to all our students who are participating in the Zone Athletics Carnival on Friday 23 August at Sylvania Athletics track.

Open Day

This year we are combining Book Week with our school's Education Week Open Day celebrations on Tuesday 20 August, 2019.

On the day we will start with a Book Character Parade in the school hall. Classrooms will then be open for you to visit and see what your children have been doing so far this year. After this you may visit our Naidoc Art Trail.

All parents, care givers, grandparents, friends and families are welcome.

The festivities begin at 9:15am and will finish at 11:30am. We hope you will stay to enjoy recess with your children in the playground, weather permitting.

Just a reminder The Premier's Reading Challenge is closing soon!

Please make sure you have handed in your completed Student's Reading Log after you have entered your books online no later than 23rd August 2019.

Thankyou

Mrs Connor

NAIDOC Week

Last term the students at SNPS celebrated NAIDOC Week by participating in a variety of class lessons and whole school art activities. They designed posters, completed Aboriginal dot paintings and created their own ephemeral art. The students will be displaying their Aboriginal artwork on Education Day at the 'Sutherland North Public School Aboriginal Art Trail'.

Stage 2 Excursion to Botany Bay National Park

We enjoyed a wonderful day of learning about the Aboriginal history of the Botany Bay area, as well as some significant changes that have occurred during the last 250 years. The Education Centre and natural setting provided a beautiful location to learn in.

SUTHERLAND NORTH PUBLIC SCHOOL

Dear Parents/Guardians,

We are delighted to inform you that Sutherland North Public School will be participating in the world-renowned ICAS Assessments again this year. ICAS is developed by UNSW Global, a wholly owned subsidiary of the University of New South Wales, with over 35 years' experience in educational assessments.

ICAS is designed to target students' higher-order thinking and problem-solving skills in English and Mathematics. Each assessment celebrates students' accomplishments by providing opportunities for recognition. Every student will receive a certificate and an online result report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your child into ICAS this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

ICAS Assessments are now online, a move that reflects a sector-wide transition to computer-based assessment. This allows greater accessibility for students and faster delivery of results.

Learn more about ICAS here: unsw.global/ICAS

Your child will be sitting ICAS Assessments for English and Mathematics ICAS and the \$14.50 (excluding GST) fee for each assessment can now be paid online. Visit unsw.global/parentpay and enter your school's unique code to make a direct payment to UNSW Global. Online payment will close on **Wednesday 14 August 2019**.

Access code: **df2190d7e0**

Partnering with UNSW Global, we are proud to offer our students the ICAS English and Mathematics Assessments, and look forward to some fantastic results later in the year.

Kind regards,

Anne Minogue
Assistant Principal
