New Garden

Last Friday I had the pleasure of hearing from Harry G, Alex W and Alicia S from 2V who presented two very persuasive arguments; build another vegetable garden or build a native garden in the school. Both arguments were very strong but the native garden won me over. The project will be completed in the garden bed outside of Mrs Holmes classroom.

Permission Notes

When returning permission notes we would appreciate if you could please complete a separate note for each child and not include siblings on the one permission note. You do not need a separate envelope for each child and multiply notes can be included in the one envelope.
