School-talk – 27 March 2023

Principal's Message – Fiona Young

P&C

I would like to congratulate Jazahra, Rebecca and Felicity from Year 6 who worked tirelessly taking orders and money at the election BBQ. They worked the entire day and were fabulous representatives for SNPS. Thank you to the P&C and parent helpers who did a magnificent job on Saturday running the BBQ and baked goods stall. Many thanks also go to our school community for all the donations that made it all possible.

School Behaviour and Support Management

All DoE schools are currently developing a new **School Behaviour Support and Management Plan** which will be implemented from the beginning of Term 3 2023. This will ensure a consistent whole school approach to behaviour and wellbeing and provide clear processes and documentation to the community on all wellbeing practises at SNPS.

In partnership with our community, we are seeking your feedback through the parent survey. We recognise there are areas that need reviewing and clarification for our students and families. This is a great opportunity to work together to achieve a sound and robust policy that is relevant to the needs of our students and community. Providing us with constructive feedback is valued and will be used to inform future improvements in our wellbeing practises in our School Behaviour Support and Management Plan.

Click on the link to complete the survey <https://www.surveymonkey.com/r/YQDRW5P>

The revised School Behaviour Support and Management Plan will be presented to the school community early Term 3.

Attendance at School

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. At Sutherland North Public School we work in partnership with parents to encourage and support regular attendance of children. When your child attends school every day, learning becomes easier, and your child will build and maintain friendships with other children.

Education in New South Wales is compulsory for all children from six years of age. The Education Act 1990 requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school. Once enrolled, children are required to attend school each day it is open for students. On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance e.g. attending a funeral.

The school is implementing a new notification system whereby you will be notified on the day if your child is absent. Following an absence from school you must ensure that within 7 days you provide the school with a verbal or written explanation for the absence. If a reason is not received within 7 days of the absence, it will be recorded as unexplained. Principals may request medical certificates or other documentation when absences are ongoing without reasonable justification. Student absences should be advised through School Stream, phone call, email or note to the teacher.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with the school principal. An Application for Extended Leave may need to be completed and approved at least a week before departure. The approval of Applications for Extended Leave are made at the Principal's discretion and school Principal's may decline an application if they do not believe the absence is in the best interest of the child. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

Help needed for the Vegetable Garden

We would like to get the school vegetable garden up and running again. We will be enlisting students to volunteer and assist during some of their lunch times as part of the Green Team, to plant seeds, water and maintain it. We would also like some parent assistance please. If you are keen and could spare even a little of your valuable time, this would be greatly appreciated. Lunch times would be ideal. You will also need to have a current Working With Children Check. Please leave your name with the office if you are available and let us know what time would suit you.

Thank you
Mrs Moseley
