

# Sutherland North Public School

School-talk – 22 October 2018

## Principal's Message – Fiona Young

Welcome to Term 4! I hope you enjoyed the break and are recharged and ready for the busy term ahead. We are currently working on our school website to make it easier to navigate. Part of this change includes google calendar on the front page which you can download onto your phone or other devices by clicking on the + button in the bottom right hand corner and follow the prompts.

### School Uniform

All students should be wearing their full summer school uniform. Please assist us in making sure your child is wearing the correct school uniform each day and sports uniform as required. In particular please remember that netball skirts and 'skorts' are not part of our uniform. Student's school shoes should be black. The girls should be wearing white socks that show above the shoe, not ankle socks that sit below the shoe. The boys should be wearing grey socks that show above the shoe also. We also have a no hat; no play policy which involves wearing a Sutherland North school hat.

You can purchase all student uniform requirements from the School Uniform Shop which is open for purchases every TUESDAY 8.30am – 9.00am, located in the school hall.

### Students And Families Leaving School (Other Than Year 6)

As we progress through Term 4, staff will be looking at the placement of students in their classes for 2019. Accurate student numbers are important to ensure we make adequate plans for staffing and classes. To assist in this regard, we ask that if you are aware that your family will no longer be attending Sutherland North Public School for any reason—please advise the Office at your earliest convenience. If this information needs to remain confidential, please send in a sealed envelope, marked to the attention of Mrs Young.

## Term 4 - 2018

### October

#### Monday 22

Gymnastics 3-6  
Kinder 2019 Orientation 2.00pm

#### Tuesday 23

Gymnastics K-2

#### Thursday 25

Assembly 12.30pm

#### Friday 26

PSSA Sport

#### Monday 29

Gymnastics 3-6

#### Tuesday 30

Gymnastics K-2  
Kinder 2019 Orientation 9.30am

#### Wednesday 31

P&C Meeting 7.30pm

### November

#### Thursday 1

Assembly 12.30pm

#### Friday 2

### Placement Of Students In 2019

The staff of Sutherland North Public School collaboratively work together to make decisions about the placement of students in their next year's group. During this time many varied considerations are considered to ensure the best mix for each class. If you have a request for placement of your child or children based on a specific learning need, it is asked that you submit a letter to Mrs Young at the office by 3pm Friday 17 November 2018. Please note that requests for teachers are not appropriate and will not be considered. All requests must be submitted in writing or email to the office only. Include child's name, current class, request and reason for request. All requests will be considered but there is no guarantee that requests can be met, as there are many contributing factors in preparing class lists. Please note that

teachers do move classes/placement at times, including staff currently on RFF and specialised programs. The school is not able to ensure that your child will have the same teacher for the entire year because of staffing constraints and personal factors relating to individual teachers. Requests will be for the 2019 year only. Please be reassured that all classes are structured to provide the best possible outcomes for students both academically and socially. Decisions about student placement are made using a wide range of information gathered throughout the year, including teacher anecdotal records. Requests will not be considered at the beginning of Term 1 in the following year unless the principal considers there are mitigating circumstances. Please note that generally class structures cannot be finalised until the total school enrolments are known in the following year and usually by Week 2, of Term 1. It is with professionalism that staff consider class structures, which are formed in the best interests of ALL students and the school.

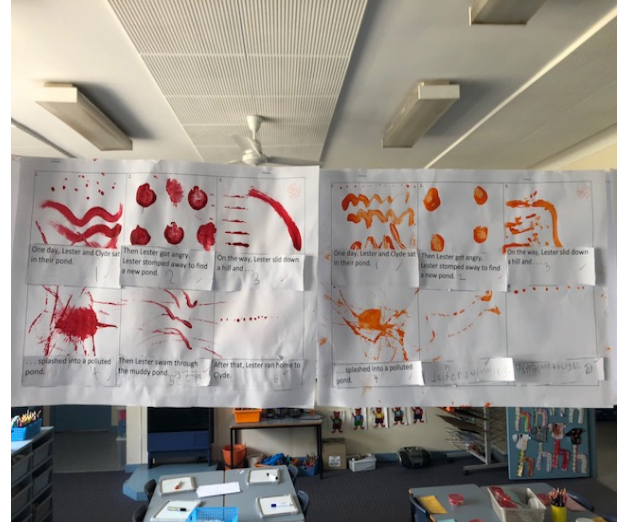

We thank you for your support, and understanding.

Mrs Young

## Learning News from Kindergarten

Students in KRed loved recording what they heard in Music lessons.

Lester & Clyde by J.H Reece was used to teach KRed about mapping. Individual maps were made showing the frog's journeys.

In

KBlue, students enjoy using a variety of methods to practice numeracy skills.
